International Associations – Electrical Engineering – Power Systems and Electrical Machines

All IEEE-sponsored/or Scopus-indexed conferences are accepted. The following list may be particularly considered:

- Institute of Electrical and Electronics Engineers (IEEE).
- Institution of Engineering and Technology (IET).
- CIGRE -Conseil International des Grands Réseaux Electriques "The International Council on Large Electric Systems".
- EPRI -Electric Power Research Institute.
- European Power Electronics and Drives Association - (EPE Association).
- PMAPS international society.
- Institution of Electrical Engineers.
- National Association of Power Engineers (N.A.P.E.).
- South African Institute of Electrical Engineers.
- Chinese Society for Electrical Engineering
- Electric Drive Transportation Association (EDTA).
- The International Association of Electrical, Electronic and Energy Engineering (IAEEEE).
- World Academy of Science, Engineering and Technology (WASET).
- International Dielectric Society (IDS).
- The Dielectrics and Electrical Insulation Society (DEIS).
- World Nuclear Association.
- The Power Electronics Society (PELS).
- International Associations – Electrical Engineering – Power Systems and Electrical Machines.
- International Association of Electrical and Electronic Engineering (IAEEE).
- International Solar Energy Society.
- IRENA – International Renewable Energy Agency.
- CIRED- International Conference on Electricity Distribution.
- ISH- International Symposium on High Voltage Engineering.
